Immersion Research Devil's Club Drysuit

Moenkopi is proud to be the only outfitter in Grand Canyon to offer drysuit rentals to our guests. Just let us know what size will work for you, and the trip you're on, and we'll happily reserve a suit for you.

** Please contact us for availability*

** Since our rental fleet are Men's suit, we provide a complimentary "Shee-Wee" for female guests. We also have found that women often take a size larger than they initially expect, due to the cut of the waist and hips*
